

Liping Cheng

Math2Market GmbH

Dr. Liping Cheng graduated from Tsinghua University with a Bachelor of Engineering in 1998, and a Master of Engineering in 2001. She then obtained her PhD degree in Mechanical Engineering from North Carolina State University in 2004. After that she joined Fraunhofer Institute for Industrial Mathematics and focused on the micro-structure simulation until 2014. She has been in her current position as Senior Application Specialist at Math2Market Company since 2013. She has been working on developing and promoting the material simulator software, GeoDict.
